

Welcome ConCoction Family, Friends and Fans!

The volunteers have been working hard to bring you another fantastic convention this year with only half the time to prepare and we hope you will be pleased!

We wanted to take some time and bring you a few updates before this week's convention.

Membership Pre-Registration ended on midnight, February 28th, but [onsite memberships](#) will be available. [Volunteers are still needed](#) and membership partial or full refunds can be earned..

You can find our [Harassment Policy](#) and our [Prop Weapon Policy](#) by following the links to our website.

Our [Winter quarter newsletter](#) went out in early February and is viewable on our website in case you missed it.

Parking

Parking is \$5.00 per day for convention attendees, with NO in and out privileges. While at the hotel, you will need to take the ticket you get when entering the parking lot to the front desk for validation. That is where you pay the five bucks. They will give you your parking ticket back and an additional ticket that says refund. When exiting the parking lot, insert the parking ticket into the machine first, when you are prompted to insert payment, you instead put in the refund ticket. Gate will open and you can be on your merry way.

Convention attendees who are staying in the hotel can get their tickets validated in the same manner, but will not be charged anything for parking. Hotel guests also get unlimited in and out privileges.

When you first get to the hotel, there will be two entrances to parking lots. Be sure to use the one on the **LEFT**.

If you use the entrance on the right, you will be entering an airport run lot and will be charged \$13.00 to get your car back. We are planning on having a sign at the entrance to the parking lots with an arrow pointing in the right direction.

Additional [hotel information](#) as well as [directions and public transit information](#) can be found on our website.
